Important Notice: Set out below are the University of Bolton's Terms & Conditions of Enrolment for all students who wish to study at the University. These Terms & Conditions of Enrolment together with the University's Student Admissions Policy, Course Fees Policy, other Rules, Regulations, other provisions and requirements and other policies and procedures of the University which apply to students, will form an essential part of the contract between the University of Bolton and you (the student). If you are a continuing student, you will be required to make yourself aware of the most recent version of these documents and to read and accept for each year of your study the current version of these Terms & Conditions of Enrolment, which will be an update to your continuing contract.

As part of the enrolment process, you will be asked to carefully read and understand each condition below; please note that after reading each condition you will be asked to tick an acceptance box to indicate your agreement to that condition. The enrolment process will be concluded once you have ticked each and every acceptance box to indicate your agreement to these Terms & Conditions of Enrolment and the University will then confirm to you completion of your enrolment to study. If you decline to accept each condition of enrolment you will not be considered as enrolled and you will be considered as wishing to terminate your contract with the University – in which case you will not be entitled to attend classes and/or have access to the University's services and facilities.

Please be aware that it is your responsibility to apply to Student Finance England for a tuition fee loan to pay for your course fees at the University, if this is the method by which you choose to pay. To ensure your funding arrangements are in place, you are advised to promptly submit your application to Student Finance England as soon as you know the details of the course you are to study. You do not have to wait until you have received your offer to study from the University. The University is not able to make an application to Student Finance England on your behalf.
